FREQUENTLY ASKED QUESTIONS

WHEN SHOULD I BOOK MY WEDDING MAKEUP?

I take bookings up to twelve months in advance and as late as a few weeks where my schedule allows.

WHEN SHOULD I SCHEDULE A TRIAL?

Once you have an idea of what your styling is going to be like for the wedding, as this is taken into account during your trial. It also helps if the weather is similar to what it will be for your wedding so that you have an idea of how the makeup will wear - I often will select different products for different weather.

WHERE DO YOU HOLD TRIALS?

Trials are usually held in my apartment located in Fortitude Valley in Brisbane where you are welcome to bring a family member or friend should you desire.

HOW LONG DO TRIALS TAKE?

I allow 90mins - 2hrs for trials, it's our opportunity to meet and get to know each other to discuss your aspirations for your makeup on your wedding day. It also gives us time to make any changes to the look after we've done and talk about touch up products for the day. We can then make any further adjustments on the actual wedding day.

WHEN ARE TRIALS HELD?

Most trials are held on Sundays. If weekends don't work for you at all please let me know and we can come up with an alternative plan.

WHAT BRANDS DO YOU USE IN YOUR KIT?

My kit is made up of products I've tried, tested and trust. I am constantly updating my kit with a variety of brands based on what I feel does the job the best. These include Giorgio Armani, YSL, Tom Ford, MAC Cosmetics, Hourglass, Laura Mercier and NARS. All items are clean, used hygienically and replaced regularly.

HOW LONG DOES MAKEUP TAKE ON THE DAY?

Realistically makeup takes about 45 minutes, however due to unplanned interruptions it can sometimes take a little longer, so I allow an hour per person for you on the day. To ensure things run smoothly it helps if everyone has their teeth brushed before it's time to start makeup and hands over their phone to someone else to take care of whilst makeup is being done.

CAN I USE MY OWN LIPSTICK?

It's advised everyone has a lipstick of their own they can touch up with throughout the day so definitely I can use your favourite one or one that you've chosen. If there's any other coveted products you would like to use please feel free to show them to me and I will do my best to work them into your look.

WHEN SHOULD WE FINISH MAKEUP ON THE DAY?

It's best to finish around the time that your photographer is wanting to take photos of you before you get dressed in your wedding attire. For most people this is around 90mins - 2 hours before your ceremony. Check with your photographer when they would like everything to be finished so that you have plenty of time for photos. It may seem like you are getting ready early but time will fly on the day.
